VOLUME FIVE

NINETEEN HUNDRED THIRTY THREE

DEDICATION

We respectfully dedicate the 1933 Cardinal Castellan to the parents of the Northwest District whose labor and cooperation have made the Thomas M. Cooley High School an institution of good will as well as learning.

seniors

Lloyd Thomas, Ellen Haanela, June Hosier, Maynard Bailey.

PRESIDENT'S MESSAGE

January, 1933

The members of our class now begin to realize what graduation from high school means. For the past four years most of us have been together in Thomas M. Cooley High School, although many have come from other secondary institutions of learning. During these more or less well-filled semesters we have felt safe and secure but now there is an impending feeling of lonesomeness and helplessness as we look into the future.

We are sure, however, that our learning and preparations will support us in later life, especially in the realms of higher education. We know that we will be called upon to lead our lives as good citizens, and in this undertaking there will be no failures. With our memorial to the school we have meagerly attempted to pay our debts of gratitude.

Therefore, we, the January graduates of 1933, passing our ideals and traditions on to the following graduating classes, wish to express and extend our gratitude and thanks to all those who have helped and endeavored to make our high school life the happiest and most productive period of our careers.

Maynard R. Bailey

JANUARY CLASS
HISTORY

JANUARY 12 was the climax of four years of companionship, effort, hard work, and pleasure for the two hundred and thirty two graduates of the Class of January, 1933.

The class was first organized as 12B's in March, 1932. Thomas McGibbon was elected president, Jack Cox vice-president, June Hosier, secretary, and Lloyd Thomas treasurer. Selection of the 12B cabinet immediately followed the selection of officers. Thus the January, 1933 class was first organized under the capable supervision of its sponsors: Mr. Emmons, Mrs. Snider, Mr. Allman, Mr. Fraser, Miss Reed, Miss Wilk, and Mr. Little.

Four events of primary importance were undertaken by the class during its 12B semester. The first was the 12B play, "A Full House," presented in the auditorium on the evenings of April 29 and 30. All members of the cast and even the hard working director, Mrs. A. Fry, survived the arduous ordeal of play practice and the production was pronounced a success. The second event of the season was the 12B dance held in the gymnasium on a Friday afternoon late in May. A picnic at Twin Beach Country Club was the third function of the 12B class. The fourth and crowning event of the semester, however, was the luncheon given by the 12B's for the 12A's following the graduation exercises on June 23. The luncheon and program was followed by dancing in the gymnasium.

Organized as the 12A Class the following October the class chose these officers: Maynard Bailey, president; June Hosier, vice-president; Ellen Haanela, secretary; and Lloyd Thomas, treasurer.

Two social functions and the traditional 12A Day were sponsored by the class. November 18, a tea dance was given at the Birmingham Golf Club and on January 16 a dance was held in the gymnasium for the 12A's. December 20 was the day appointed for 12A Day. During the entire day all teachers' positions were held by 12A's. Late in the afternoon on the same day a surprise party was given for the class, the faculty assuming the role of "kids" and vociferously cheering their "teachers."

The most important and outstanding day of the semester, however, was January 12. Commencement exercises were held in the auditorium at ten o'clock. The Reverend Widdifield of St. Paul's Episcopal Church delivered the invocation and Dr. Charles McKenny, President of the Michigan State Normal College gave the address. Diplomas were presented by Mr. Emmons assisted by Mr. Nielsen. Fourteen members of the class were graduated with magna cum laude honors and twenty received cum laude honors. Thomas McGibbon received the Hi-Y plaque for general leadership in school activities. The University of Michigan plaque, awarded for excellence in leadership, scholarship, and athletics, was given to Lloyd Thomas. James Allen and Sally Nelson were given medals for outstanding work in the music department.

Following graduation the class was entertained at luncheon by the 12B's and in the afternoon a dance was given in the gymnasium.

And so ended the history of the Class of January, 1933.

PRESIDENT'S MESSAGE

Class of May, 1933

For our class, high school days are over. We are glad that we have had the opportunity of attending high school. As we look back on our work here, we wish to express our sincere appreciation to the members of the faculty for their many courtesies and encouragements which have made our school life more pleasant. It is fitting at this time that we should thank our parents for their cooperation, many of whom by their sacrifices have made it possible for us to complete our high school education.

Our four years of school work will surely award us according to the amount of honest effort that each of us has put into them. Years of study and recreation have been character building and have enriched us with a flood of pleasant memories to carry throughout our lives.

Our school life is the foundation upon which we shall build our future. Our hope is to so live that we shall be a credit to our parents and to the school that educated us. If our school life has developed character and a true spirit of sportsmanship, we have the two most necessary fundamentals for the founding of a useful life.

Soon some of us will enter college, others will go out into the industrial world to find work in which we are interested and expect to make a future occupation. Under present conditions many of us will, without doubt, encounter hardships and disappointments. If we can keep our faces toward the front with absolute faith in the future, tackling each job as it presents itself, always working toward something better, with kindest regards toward our fellowmen, we will have justified our education.

Joe McCrum

MAY CLASS HISTORY

MAY 25TH was the culmination of four years of effort, hard work, and pleasure for more than four hundred and thirty graduates of the class of May 1933. It was the day on which they would lay aside their books and papers for the tasks of life—if tasks could be found.

The class body was first organized as 12B's in September 1932. Class officers were elected as follows: Robert Gladfelter, President; Ruth Glenn, Vice-President; Mary Thompson, Secretary; Oswald Powers, Treasurer. The class was under the supervision of Niel C. Nielson who acted in the capacity of sponsor.

The main affairs of importance undertaken by the term were, first the class play, "The Youngest," presented on December 9-10. The participants in the play collaborated to the best of their talents with the able directing of Mrs. Fry, and produced a skit that was an agreeable success, considering the times. Secondly, the annual banquet and dance given in honor of the graduates after the commencement exercises. Immediately after the ceremony the graduates proceeded to the lunchroom for the luncheon and thence to the gymnasium where a dance was held as an appropriate ending to a long to-be-remembered day.

In January 1933 the class was reorganized under the able leadership of the class officers, Joe McCrum, president; Marion Cannon, Vice-President; Phyllis Kull, secretary; Jack Siebert, treasurer.

A dance, and outing and the traditional 12A day were sponsored by the class. The dance held for the 12A's occurred on April 5. This dance was a huge success to the delight of both the class itself and its sponsors. The date set aside for 12A Day was also April 5. On this date the 12A's officially acted the roles of the teachers, taking over all the classes and offices of the administration. The outing held at Birmingham Golf Club was held May 18. The day was spent in golf, riding, dancing, bridge, and lunch.

The most outstanding day of the semester was May 25. Commencement exercises were held in the auditorium at ten o'clock. The Reverend Paul Johns delivered the invocation and Dr. W. D. Henderton of the University of Michigan gave the address. Diplomas were presented by Mr. Emmons assisted by Mr. Nielsen.

MR. OWEN A. EMMONS

THE RAPID and successful growth of Cooley High School has progressed for five years under the capable guidance of Mr. Emmons, the principal, who has put forth every effort to strengthen the union between the students and faculty. Mr. Nielsen, assistant principal, has assisted him in the task of organizing Cooley. Under Mr. Nielsen are the boys' counselors, Mr. Schindler, Mr. Wulff, and Mr. Blanchard and the girls' counselors, Mrs. Jones, Mrs. Wulff, and Miss Miller whose understanding advice and thoughtfulness have promoted the students' good sportsmanship and ideals. The faculty under various department heads have completed the administration at Cooley, often working under disadvantages, but always with a conscious regard for the welfare of the school.

MR. NIELS C. NIELSEN

THE DUTIES of the assistant principal are manifold and most important in the general planning and execution of the schools business. Outstanding among these are the arrangement of the curricular schedule. The mechanical handling of all room allotment and the assignment of faculty and pupil aid for the handling of corridor and exit problems. This and much more is most understandingly and kindly done by Mr. Niel C. Nielsen.

Six sincere friends and advisors to the graduating class and student body are Mrs. Grace Fisher Wulff of Rachael Hubbard Cooley Hall, Mrs. Grace C. Jones of Alice Freeman Palmer Hall, Miss M. Helen Miller of Jane Addams Hall, Mr. Joseph R. Schindler of Lincoln Hall, Mr. A. J. Wulff of Roosevelt Hall, and Mr. Clarence H. Blanchard of Edwin L. Miller Hall. They aid and advise the students throughout their school years in regards to all the problems of youth, giving much of their own time outside of working hours and on the whole doing everything possible for the pupil.

THE FIRST FIVE YEARS

By Mr. Owen A. Emmons, *Principal*

The Thomas M. Cooley High School is now closing the fifth year. Much to the amazement of those who had watched the construction of the first unit of our building, there were 1570 pupils who reported September 4, 1928, the day our school opened. Of this number there were sixty enrolled in the 12-B grade. There were no 12-A enrollments and therefore there was no commencement until June 1929. Our first graduating class numbered 49. Since we had no auditorium, our commencement exercises were held in the library.

The first year we had four study halls with counselors Mrs. Grace Jones and Mr. Arthur Wulff occupying rooms 202 and 201 respectively. Mr. J. R. Schindler used Room 205 which is now a mechanical drawing room and Mrs. Grace Wulff used Room 312 which is now a bookkeeping room. The boys whose surnames began with letters A—L were under the counselorship of Mr. Schindler and those of M—Z were counselled by Mr. Wulff. Likewise girls A—L were supervised by Mrs. Wulff and M—Z were guided by Mrs. Jones.

We were without gymnasium facilities and had no auditorium the first year. During the second year the auditorium and twenty-four class rooms were added. The first class to graduate in the auditorium was that of June 1930. Our enrollment increased rapidly and several excellent teachers were added to the teaching force. Mr. Clarence Blanchard and Miss M. Helen Miller were added as counselors in February, 1930. Increases have been steady during the entire five years and we now have 3750 pupils enrolled with 107 teachers on our staff.

The first three years of the history of Cooley were productive of many fine accomplishments. Our first state championship was won in Declamation by Margaret Ayers. This was in our second year.

In debating we qualified and participated in the state elimination contests. In the five years we have so qualified three times. We are very proud of our success in forensic and public speaking activities. Both of our publications have appeared regularly since the beginning of the school and are given a first class honor rating.

In athletics we were soon recognized in spite of the handicaps we had. Our first three years of athletic competition were administered without a gymnasium or swimming pool.

The auditorium unit was completed in the spring of 1930 and our health and music unit in the summer of 1931.

The complete building was dedicated May 20, 1932 with very fitting ceremonies made possible through the efforts of our Student Council. We were hosts at this time to several of the relatives of Thomas M. Cooley, for whom our school is named. Many of the pioneers of Greenfield Township and the village of Strathmoor, who had striven to secure proper educational facilities for their children were present at the dedication. During the course of the past five years we have graduated 1280 and are about to add over four hundred more to this list.

We are proud of our graduates, many of whom are continuing a program of formal education in higher institutions. Several have already made records of distinction in the colleges and universities of our land.

Our academic achievement, athletic success, skill in public speaking, music and dramatic productions and work in the field of art, have been made possible only through the excellent native ability of our pupils, the skill and fortitude of our teachers and the confidence and cooperation of the parents of our community.

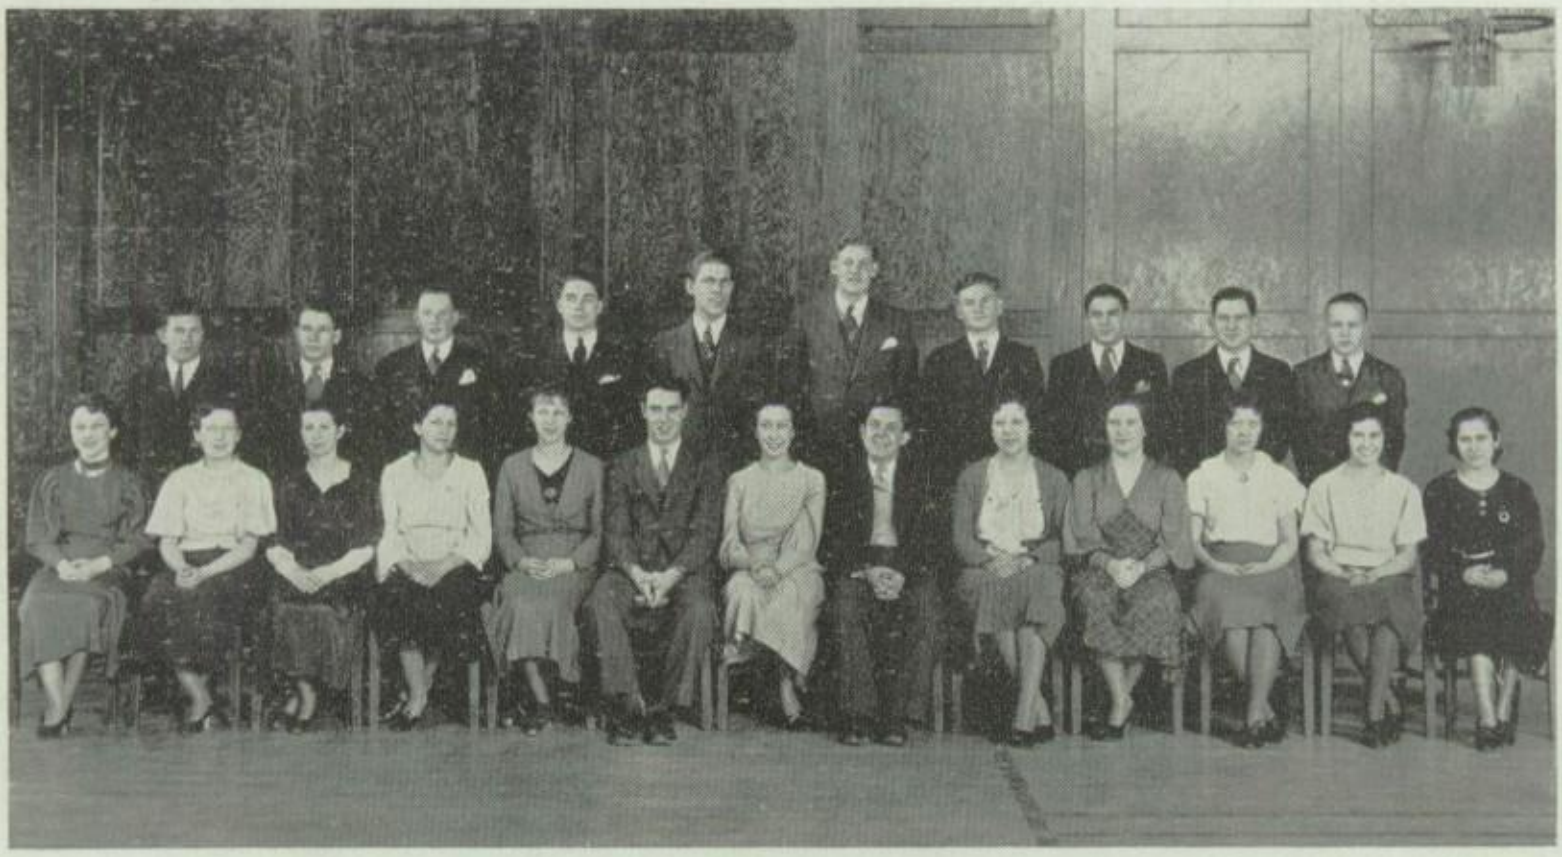
Absent: Marjorie Balk, Clyde Recht.



GLEE CLUB GRADUATES

Second Row: Melvin Munro, Lawrence Gregory, Carl Bland, Roy Busby, L. Jerome Wetzler, Tom Cochill, Don Hickman, Robert Enos, William Somers, George Geden.
First Row: Helen Klinger, Anna Eshelman, Bernice Bretzlaff, Philippa Bennetts, Frances Bacon, James Allen (president), Sally Nelson, Lloyd Woodside, Dorothy Schulwitz, Helen Steele, Norma Hain, Doris Kennedy, Katherine Jones.

Rev. "Tag" Strickland

ATHLETIC SERVICE COMMITTEE

These people have assisted the athletic department in every way possible, with clerical work and in the organization and running of the various intramural teams. They are to be congratulated and thanked for their assistance.

BAND

The spirit of every school occasion in the auditorium and upon the field has been heightened by the music of the Cardinal Band. Under the direction of Mr. Phil Hargrave, the year was fittingly closed for the organization by its appearance in the May Festival.

1932-'33 SPORT SUMMARY

DURING the past year Cooley has gone farther in the field of athletics than ever before. It has won league championships in every sport except swimming and golf and has won two city titles, besides being runner up for the track and cross country titles.

This year's football team was the best ever turned out at Cooley, winning the Northern Division Championship and being defeated only by Hamtramck in a post season game.

All of the letter winners on the team, except three or four, are graduating, including Stan Newsted, Bob Hamel, and Ed Miller, who made the all city team.

However, hopes are strong for a powerful team next year.

Won four
Lost two by one point

The girls' swimming team had a very successful season, winning four of their meets by overwhelming odds and losing two others by one point. The girls are just in their second year of league competition and have come up fast. According to their coach, they should have a championship team next year.

GIRLS HOCKEY

is staffed and equipped to assist

in the preparation and production of Yearbooks designed

to accent originality, imagination and expert handling,

more than is customary in

Student Publications

DEPENDABILITY

The Parent of Confidence

Heitman-Garand Company, builders of School and College Publications, are deeply appreciative of the confidence placed in them by the Faculty and Student Body of The Cooley High School.

Evidence that this confidence is not ill-placed is emphasized by the large number of Schools that year after year satisfactorily solve their Publication Problems through the medium of Heitman-Garand dependability.

In producing the Castellan for '33 Heitman-Garand have endeavored to pay the price of confidence, which is nothing more than honest, helpful service.
